Decision

Matter of: United Services Associates, Inc.--
Reconsideration

File: B-256013.3

Date: March 16, 1994

DECISION

United Services Associates, Inc. requests reconsideration of our February 9, 1994, dismissal of its protest against the award of a contract by the Department of Justice under solicitation No. JRJMD-93-R-0097.

We deny the request for reconsideration because the request provides no basis for reconsidering our prior decision.

The protester in essence repeats arguments it made previously and expresses disagreement with our decision. Under our Bid Protest Regulations, to obtain reconsideration the requesting party must show that our prior decision may contain either errors of fact or law or present information not previously considered that warrants reversal or modification of our decision. 4 C.F.R. § 21.12(a). The repetition of arguments made during our consideration of the original protest and mere disagreement with our decision do not meet this standard. R.E. Scherrer, Inc.--Recon., B-231101.3, Sept. 21, 1988, 88-2 CPD ¶ 274.
